INTERIOR FINISHES

- Approximately 9'-0" ceiling heights (Ground Floor/Level 1 will have 10'-0" ceiling heights), less where bulkheads and dropped ceilings are required
- Laminate flooring in all areas except tile floor locations, as per plan
- 7'-0" interior doors with 2" casing and 4" baseboard (Ground Floor/Level 1 will have 8'-0" interior doors with 3" casing and 7" baseboard), where construction permits
- Decorative brushed nickel hardware and door handles
- Bedroom closets to have white panel sliding doors or swing door, as per plan
- Trim and doors painted with low V.O.C. off-white semi-gloss finish latex paint
- Walls and dropped ceilings painted with low V.O.C. off-white flat finish latex paint; bathroom walls with eggshell finish
- Smooth painted ceilings in all areas
- Framed mirror sliding closet doors in entrance foyer, as per plan
- White coated wire shelving in all closets with one bank of linen shelving per dwelling unit

ELECTRICAL FEATURES

- Energy efficient ceiling light fixtures in bedroom(s), foyer and den, as per plan
- Light fixture over bathroom vanities
- Track lights in kitchen ceilings
- Switch to plug outlet in living area
- Suite electrically wired to service panel with circuit breakers
- Pre-wired outlet in living area for television, telephone and internet with wiring to termination point
- White decora-style switches and receptacles

BALCONIES AND/OR TERRACES

- Terraces with 2' x 2' decorative pavers, as per plan
- Exterior receptacle on balcony and/or terrace

Please note: Features, finishes, specifications and choice of Vendor's samples are subject to availability and may be changed without notice. Purchaser may be required to reselect colours/materials from Vendor's samples as a result of unavailability or discontinuation. Vendor may substitute materials for those designated in plans and specifications provided such materials are equal to or better than those designated. Variation from Vendor's samples may occur in finishing materials, kitchen and vanity cabinets, floor and wall finishes due to normal production and installation process. Some features may vary by suite design. E. & O.E. September 2024
