smart home technology for lifestyle convenience

almadev link

Effortless smarthome features

Almadev Link technology seamlessly connects your smartphone to your home. Through your device, you can easily access the LSQ2 building entrance, parking garage and common areas. Give access to your guests by sending a one-time use code. And you never have to worry about losing your keys. Use your smartphone to unlock and lock the door to your suite.

With the Almadev Link app, book and pay for use of the amenities at LSQ2, and coordinate necessary arrangements with the concierge. Expecting a package? You'll receive a notification that it's safely stored in the parcel room waiting for pick-up.

Even more convenience

At LSQ2, we're introducing new technology features to keep you connected. An online community board will enable you to receive notifications and reminders about upcoming events, such as board meetings, landscaping, window cleaning and more.

Future-ready features

LSQ2 prioritizes a greener lifestyle with amenities designed to help you save money and energy. The parking garage features electric charging stations available for your convenience. There's also secure indoor bicycle storage. Individual suite metering for hydro and water allows you to easily monitor your consumption.
