- Royal Pine Homes Excellence Program is committed to innovative designs and quality construction and complemented with our reliable customer service. Every homeowner receives the service of a professional consultant to assist in the completion of interior colour selections of their new homes at the Royal Pine Homes-Design Studio
- All exterior colours and materials are pre-selected by the vendor & architecturally controlled by the architectural review committee and cannot be otherwise changed.
- Purchaser acknowledges that any architectural changes or extras involving the structure will not be permitted after the acceptance of the Agreement of Purchase and Sale. It is very important that all structural changes are made at time of purchase.
- Vendor will not allow the Purchaser to do any work and/or supply any material or finish the dwelling before the closing date.
- Purchaser's choice of interior colours and material are from vendor's samples if not yet ordered or installed provided that colours and material are available from supplier. Purchaser agrees to select the colours and material within seven (7) days of notification as scheduled according to closing date by the vendor, otherwise the vendor reserves the right to select the colours and materials to complete the dwelling and the Purchaser agrees to close the transaction with the vendor's choice of colours and materials.
- Purchaser acknowledges that all executed documents (ie: Agreement of Purchase and Sale, amendments, colour chart, colour chart amendments etc.) are provided in hard copy format only. An administration fee of \$500.00 for each request will be charged as an adjustment on closing should the Purchaser require any extra copies at any time before closing.
- Purchasers are advised that some laundry room areas and foyer entrances may be sunken as required by grade.
- Purchasers are advised that the side door, where applicable, may be lowered to accommodate side yard drainage as per plan or municipal requirements.
- Sidewalk locations may vary from that shown on site plan/brochure as per approved municipal requirements.
- All plans, elevations and specifications are subject to modification from time to time by the vendor according to the Ontario Building Code and National Building Code.
- The Purchaser agrees to pay for installation of water meter on closing if applicable.
- The Purchaser agrees to pay for hydro installation & connection charges in such amount as required.
- Purchaser agrees to pay the Ontario New Home Warranty Program enrolment fee on closing as an adjustment. Purchaser acknowledges enrolment fee based on Ontario New Home Warranty Program enrolment fee structure and fee is subject to change without notice.
- The Purchaser acknowledges that finishing and materials contained in any model home, including broadloom, furniture, electrical fixtures, drapes, ceramic flooring, wood flooring, upgrades, kitchen cabinets, stained glass, staircases and railing, architectural ornamental plaster, acoustic tiled ceiling and luminous lenses, etc. may be for display purposes only and may not be the same grade or type or not necessarily included in the dwelling unit purchased herein.

Prices and specifications are subject to change without notice. E. & O. E. March 2023
