

LIVE EXTRA ORDINARY

Experience extra-ordinary living in a lush new community where small town charm with rich heritage is intertwined amongst huge swathes of green space with woodlands, parks and trails.

This location is perfect for families who want a comfortable place to call home while also accommodating the changing needs of a growing family.

Just minutes from the well known town of Goodwood where Schitt's Creek was filmed and located within town are several world-class golf courses, offering some of the best greens in the region. To the north you will find the Herrema soccer fields, conveniently connected to the Trans-Canada Trail, adjacent to Wyldwood Trail.

**LIVE AMONGST
UNTOUCHED BEAUTY**

ENJOY THE LUXURY

**COPPINWOOD GOLF
COURSE JUST
MINUTES AWAY**

Established in 1958, we are one of the older venues in Durham Region that has evolved from a 9 hole golf course to our current facility featuring an 18 hole course with driving range.

Wooden Sticks is more than simply a place to golf. It is a tribute to the rich history and grand traditions of this great game. In designing Wooden Sticks, architect Mr. Ron Garl and his team worked diligently to ensure that every aspect of your golf experience reflects the spirit found in some of today's most famous golf holes.

- Choice of 40oz broadloom with 12mm chip foam underpad in all designated floor areas as per plan from vendor's standard samples.
- Ceramic flooring from vendor's standard samples in foyer, kitchen, breakfast, bathrooms, and laundry as per plan.

KITCHEN

- Double stainless-steel kitchen sink with washer less single lever faucet with pull out spray.
- Heavy-duty receptacle for stove.
- Electrical outlets for refrigerator and at counter level for small appliances.
- Quality cabinetry selected from vendor's standard samples with space for dishwasher, extended height upper cabinets and one bank of drawers.
- Rough-in plumbing and electrical for dishwasher.
- Cabinet with 6" venting and standard plug required for future over the range Microwave.

BATHROOMS & LAUNDRY

- White bathroom fixtures in ensuites, shared baths and main baths. Pedestal sinks to be white.
 - Oval tub in master ensuite, as per plan.
 - Luxuriously appointed ensuites featuring double sinks, as per plan.
 - Master ensuites feature shower with standard marble surround and recessed shower light, as per plan.
 - Vanity cabinets include choice of styles and colours from vendor's standard samples.
 - Mirrors in all bathrooms.
 - Heavy-duty receptacle and outside vent for dryer.
 - Ceramic wall tiles from vendor's standard samples in all tub and shower enclosures.
 - Single lever faucet in all vanities, tubs, and showers, as per plan, excluding oval
- tubs. Oval tubs receive hot and cold taps with roman spout.
- Pressure balanced shower controls.
 - Exhaust fans in all bathrooms.
 - Privacy locks on all bathroom doors.
 - Laundry area with connections for water and drain.
 - Laundry tub with base cabinet, and uppers as per plan.

ELECTRICAL

- 100 AMP electrical service with breaker panel and copper wiring throughout.
- Weatherproof electrical outlets, one in garage and one at the rear door.
- Electrical outlet provided in garage for future garage door openers.
- White switches and receptacles throughout.

- All rooms to have switch-controlled quality ceiling light fixture.
- Smoke detectors provided as per Ontario Building Code.
- Carbon monoxide detector provided as per Ontario Building Code.
- All bathroom electrical duplex receptacles protected by ground fault interrupter.
- Electric door chimes at main door entry.
- Cable TV and telephone rough-in in Family Room and Master Bedroom.
- Rough-in for Central Vacuum in finished areas dropped to the basement ceiling.

ENERGY SAVING FEATURES

- High efficiency forced gas central heating, HRV, and rough-in for central air conditioning system.
- Gas fired hot water tank (rental).
- Metal insulated entry door with glass insert and high-quality weather stripping
- Upgraded foam insulation above garage and porch ceilings with living areas above.
- Attic space with R60 insulation.
- Exterior walls with R24 insulation.
- Basement insulation wrap with R20 insulation, as per Building Code.
- Garage ceiling R31.
- Energy Star Certified.

QUALITY CONSTRUCTION

- Poured concrete basement walls damp-proofed with additional foundation wrap to enhance overall water resistance.
- Steel post and beam construction.
- Engineered truss-joist floor system, to allow for minimal use of structural posts.
- Windows and exterior doors fully sealed with high quality caulking.
- Covered porches as per plan. Porches are poured concrete. Decorative columns as per plan. Railings installed subject to grading requirements.

All purchasers' selections from standard samples. A wide variety of upgrades and options are available. Specifications, terms, and conditions are subject to change without notice. Builder has the right to substitute materials and fixtures of equal or better value. As constructed homes may not include all the features listed in Schedule B, purchasers are advised to examine constructed homes to determine what features are included. E. & O. E.

MATERIALS, SPECIFICATIONS, AND FLOOR PLANS ARE SUBJECT TO CHANGE WITHOUT NOTICE. ALL RENDERINGS ARE ARTIST CONCEPTIONS. ALL FLOOR PLANS ARE APPROXIMATE DIMENSIONS. ACTUAL USABLE FLOORSPACE MAY VARY FROM THE STATED FLOOR AREA. E & OE.

ENRICHING THE QUALITY OF PEOPLES LIVES

Since the 1980s, family-owned and operated Oxford Developments has carved an impressive niche in the land development and construction industries across the Greater Toronto Area. This forward-thinking firm has extensive experience in creating residential, and estate residential communities that satisfy the highest criteria in design and constructive excellence.

The company has expanded to work with a series of builder partners who embrace the tradition on which Oxford Developments was created. We work together to streamline the process for our clients, from concept to completion. For us, building effective relationships paves the way to building superb homes and communities.
