Project Overview

PIERHOUSE | TOWNS AT LAKEVIEW VILLAGE

Introducing Pier House, Branthaven's inspired townhome enclave within the visionary waterfront Lakeview Village master plan.

**Live the Lake
Love the City**

Located south of Lakeshore Road and Dixie Road, where Mississauga's master planned waterfront community meets Toronto's edge, Pier House offers an exclusive mix of 164 thoughtfully designed 3-storey, rear lane and back to back townhomes steps from Lake Ontario.

"The setting is extraordinary: a 177-acre waterfront revitalization that will transform Mississauga's shoreline with new parks, trails, cultural amenities, and conservation lands."

Residents of Pier House will enjoy walkable access to waterfront trails, vibrant retail, arts and culture. Located just moments from nearby Lakeshore's local shops and restaurants, Sherway Gardens Shopping and the convenience of vibrant nearby

Port Credit nightlife and Marie Curtis Park's waterfront playground.

*One minute walk to the Waterfront Pier.
20 minute commute to Downtown.*

Pier House offers four contemporary townhome collections of family-sized layouts all with outdoor spaces, above grade private garages and driveways with plenty of FlexFit™ options to suit every buyers lifestyle and home ownership dream.

Pier House combines Branthaven's attainable luxury home ownership with an unmatched lakeside lifestyle not available in the GTA.

Downtown Toronto's financial, entertainment and urban culture districts are easily accessible via the Long Branch GO Train, TTC loop or the QEW.

At Pier House, everything is within easy reach for work, entertainment or play – perfect for young professionals and growing families.
